**Efesto** is a manufacturer company of modular structures, rigging, suspension and lifting equipment for the film, TV and theatre industry. In November and December Efesto makes a special offer of clamps

- GC/01A **SelfLock Hook** - Special offer: 10 pieces package **€ 85,50**  
**Transport FREE:** 10 packet  
*Aluminium **SelfLock Hook** is a Clever Cobination of C-hook and half coupler  
Ideal for fixing moving lights and other heavy equipment to the crossbar*

SelfLock hook GC/01A is constructed from high tensile aluminium extrusion making it not only lightweight, but extremely strong, with a **safe working load of 100 kg.**

Designed to hang heavy luminaires and scanners. The self-lock on the top allows the luminaires to be easily positioned and securely.

**Efesto** began the manufacture of products for the entertainment industry 20 years ago and is now one of the world's leading manufacturers of rigging, suspension and lifting equipment for film/TV, theatre and concert halls. Quality and safety are key issues for **Efesto**.

All our products are subjected to the most rigorous testing and the company is certified by the **TÜV services**. EFESTO's products show the **CE marking** and are **made in Italy**. Each clamp are available silver or black finish
