Hall 90 - Stand D99

EFESTO at Prolight+sound!

The Efesto announces its debut at **Prolight + Sound** in Frankfurt, the leading international exhibition for the "Events and Technologies" to be held April 15 to 18.

The Efesto, for this his first international event, chose to give visibility, **in the forms of its own stand**, for a summary of the most significant project results made in the period of the last years:

"Modular structures professional and diversified solutions for the needs of the most disparate, flavor made in Italy"

TheEfesto in **Hall 90** at stand **number D99** will structure its small showcase intense content, full of possibilities and solutions for the professional world. Some of the protagonists of the event:

- SpideRoof: **roof-easily** adaptable to most types of structure thanks to exclusive excursion adjustable side
- **BETA & GAMMA evolution stages**: stage boards of new generation with **Fastlock**, coupling system and positioning frame built for a solution from the stage light and quick assembly
- **SPEEDY** Sides: diversified systems of closures and side cover and more

In the days of the event will be presented the catalog **EFESTO2015** with many new features, possible solutions and modular configurations.
