Lighting clamps EXTRA DURABILITY

LIGHTING CLAMPS- EXTRA DURABILITY

Clamps, Couplers, Spacers, Hinges, Rigging, Boom, Arms

EFESTO offers a great number of "lighting clamps" to hang luminaires on to trusses with tubes with a different diameter and a large range of cables and rigging components (for example helmets, harness and slings). In installation's field the safety is a priority: it's really important to use the right clamps and cables for their lighting applications.

EFESTO's clamps are heavy-duty and suitable at all kind of lights products. Each hook, silver or black polished finish, has carved the indication of the **safe working load** and **CE** marking.

*The need for solutions that are suitable always , or the history of an idea waiting to be realized, is the philosophy that guides the **EFESTO**, as a manufacturer company.*

Always watchful eyes and wonder are ready to catch the feelings to create the right insights to the realization of effective solutions.
