EFESTO, a world of solutions for events and concerts

The quality and reliability of products Made in Italy

Efesto Production is the ideal partner in the management of your events for the supply of products and solutions for the preparation of events, concerts, fairs and shows.

Efesto is an **Italian manufacturing company** specialized in the design and production of:

- Aluminium trusses,
- Stage platforms,
- Aluminium crowds barriers,
- Roof systems,
- Towers,
- Aluminium clamps,
- Aluminum structures for the entertainment world.

Efesto products have the **CE marking** and are designed, manufactured and packaged in **Italy**.

The constant dialogue and listening to the needs of show business specialists inspire the creation of high quality products in which design, durability and safety remain the connotative element of Efesto creations and solutions.
